

Warehouse Clerk

Overview of Property

The Greens Creek Mine, located on Admiralty Island, 18 miles south of Juneau, is an underground polymetallic mine employing approximately 320 people. The mine is owned and operated by Hecla Mining Company, headquartered in Coeur D'Alene, Idaho. Established in 1891, Hecla has a rich history as a distinguished and respected precious metals producer. Winner of numerous safety and environmental awards, Greens Creek is seeking new team members committed to professional growth and success.

Health & Welfare Benefits

Greens Creek is pleased to offer competitive compensation and a comprehensive and flexible benefit plan to provide Health and Welfare, and income protection coverage for employees and their eligible dependents. Employees can customize their benefit plans to the level of coverage desired as well as to the needs of their dependents. In addition to the flexible coverage options, the company makes a significant contribution towards the cost of the benefits.

Community

Juneau, Alaska's capital is the third largest city in the state. Like Alaska, Juneau is full of contrasts, a sophisticated cosmopolitan city in the heart of the Tongass National Forest. Nestled at the base of mountains overlooking the Gastineau Channel, Juneau is surrounded by intercoastal waterways, lush rain forests, rugged mountainsides and awe-inspiring glaciers. This small city has it all, the adventure of the "last frontier" as well as good education system, year round cultural and sports activities, a wide variety of entertainment, world class fishing and wildlife viewing, temperate weather and a strong sense of community. Juneau is also rich in mining history and Greens Creek is proud to contribute to that heritage by operating in a safe and environmentally responsible manner.
